

# "CHAMBERS DUPLEX" Fireless Cooking Gas Range

Used and approved by Miss Fannie Farmer (author of this book); School of Domestic Arts and Science, Chicago; Domestic Science Departments of Columbia University; Universities of Illinois, Wisconsin, and Washington; and many other Domestic Science Experts, as well as by hundreds of private families. Tested and approved by "Good Housekeeping Institute."

THE latest improved Gas Range constructed to cook either with **retained** heat (the fireless cooking principle), or in the ordinary way. Cooks the **most savory way**, the **most comfortable way**, the **most economical way**. Food retains nutriment and flavor; *roasts* meats and fowl brown and tender; *bakes* to perfection bread, biscuit, cake, pie, beans, etc.; *boils* vegetables, cereals, pot-roasts, etc., beyond comparison,— all with the **gas shut off** most of the time. *Broils*, *fries*, and cooks on open burners like any other fine gas range.

**SAVES** 50% of Gas (70% on baking, roasting and boiling), 40% of Labor, 30% of Time and much Worry. **SIMPLE** and **SAFE** to operate.

**FREE TRIAL** in your kitchen. No payment required until its work is satisfactory to you.

**CASH or EASY TERMS** Please write for booklet of various sizes and styles. Prices \$20 to \$180.
